**V****GEL**  
veterinary care center  
at the Monmouth County SPCA

---

The Vogel Veterinary Care Center, a rapidly growing small animal practice in beautiful Monmouth County, NJ, is seeking a veterinary technician to join our current veterinary staff. We serve a diverse client base, with a special emphasis on the underserved population of animals that need veterinary care and seek to provide it in a high-quality, compassionate and positive environment. By making veterinary care more accessible for all pet owners, we hope to build mutually rewarding veterinary-client-patient relationships, educate the community about preventive pet care and reduce animal cruelty and neglect.

We are a forward-thinking practice with modern equipment, including digital radiology and a complete in-house Idexx laboratory. The candidate will work with a team of veterinarians, highly skilled technicians, assistants and client service team members to provide the highest-quality care possible.

The Vogel Veterinary Care Center offers very competitive compensation, comprehensive benefits for full-time employees including 90% employer funded health insurance premiums, generous paid time off, and access to a retirement plan option. Additionally, our employees are eligible for the Public Service Loan Forgiveness Program after 10 years of employment.

Requirements:

- Three years in the veterinary field with a focus on small animal practice
- Certification/licensure is preferred.

*\*This job description is subject to change based on the needs of the organization and discretion of the medical director.*
