Outside Fundraisers should be in support of the organizations mission:

“The Mission of the Monmouth County Society for the Prevention of Cruelty to Animals (MCSPCA) is to protect and advocate for all animals.

We are dedicated to enforcing animal cruelty laws; providing a safe haven for homeless, abused and abandoned pets while they await adoption; reducing pet over-population through spay/neutering; and cultivating their humane treatment through education and service as a valuable community resource.”

Thank You!

THANK YOU for your interest in hosting a Community Fundraiser for the homeless animals at the Monmouth County SPCA. Our volunteers and community members have many unique fundraising ideas that allow us to care for thousands of abused, abandoned and homeless animals throughout Monmouth County.

In addition to raising much needed funds to keep the MCSPCA running, Community Fundraisers help increase the public's awareness toward the growing number of homeless pets in our community, as well as the life-saving services that the Monmouth County SPCA provides.
