TO: THE BOARD OF TRUSTEES
MONMOUTH COUNTY SOCIETY FOR THE
PREVENTION OF CRUELTY TO ANIMALS
EATONTOWN, NEW JERSEY

Opinion

I have audited the accompanying financial statements of the Monmouth County Society for the Prevention of Cruelty to Animals (a nonprofit organization) which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Monmouth County Society for the Prevention of Cruelty to Animals as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Monmouth County Society for the Prevention of Cruelty to Animals and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Monmouth County Society for the Prevention of Cruelty to Animal's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Monmouth County Society for the Prevention of Cruelty to Animal's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Monmouth County Society for the Prevention of Cruelty to Animal's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

MONMOUTH COUNTY SOCIETY FOR THE
PREVENTION OF CRUELTY TO ANIMALS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 - Summary of Significant Accounting Policies -

Nature of Activities - The Organization is a nonprofit corporation which provides shelter and care for animals, humane law enforcement, informational services to the community regarding animal care, a clinic that spays and neuters animals as well as providing other care.

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Without donor restrictions - Resources available to support operations and are not subject to donor restrictions.

With donor restrictions - Resources that are subject to donor-imposed restrictions. When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Contributions - Unconditional promises to give are recognized as revenue when the underlying promises are received by the Organization. If there is no unconditional promise, the contribution is recognized when received. Contributions received are recorded as support without donor restrictions or support with donor restrictions according to donor stipulations that limit the use of these assets due to time or purpose restrictions. Grants and other contributions of cash and other assets are reported as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributed Services - During the year ended December 31, 2023, the value of contributed services meeting the requirements for recognition in the financial statements totaled \$41,400 which was for professional medical services. No amounts have been reflected in the financial statements for other contributed services; however, a substantial number of volunteers have donated significant amounts of their time in relation to the Organization's program services and other activities.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management periodically evaluates estimates used in the preparation of the financial statements for continued reasonableness. Appropriate adjustments, if any, to the estimates used are made prospectively based upon such periodic evaluation. Management believes that the estimates and assumptions are reasonable in the circumstances.

MONMOUTH COUNTY SOCIETY FOR THE
PREVENTION OF CRUELTY TO ANIMALS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 - (continued)

Accounts Receivable - The Organization has animal housing contracts with various towns in Monmouth County which are earned and billed monthly. On a periodic basis, the Organization evaluates its accounts receivable and, if necessary, establishes an allowance for credit losses. There was no allowance for credit losses at December 31, 2023. The accounts receivable at the beginning of the year on January 1, 2023 was \$201,709.

Revenue Recognition - The Organization has adopted the guidance under Financial Accounting Standard Board's Accounting Standards Codification (ASC) 606, Revenue from Contracts with Customers, which requires the recognition of revenue when promised services are transferred to customers in an amount that reflects the consideration to which the Organization expects to be entitled in exchange for those services.

Program Service Fees - The Organization charges fees for adoption, shelter, medical services, and animal supplies. The revenue is billed, collected and recognized when the service is rendered.

Gift Shop - The Organization recognizes revenue from its retail operations when the sale is made. The Organization collects sales tax on certain transactions and remits to the State of New Jersey. The Organization's accounting policy is to exclude the tax collected and remitted to the State from revenues and cost of sales.

Property and Equipment - Property and equipment are carried at cost. Depreciation and amortization are computed using the straight-line and accelerated methods over the estimated useful lives of the assets. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense, as incurred. For the year ended December 31, 2023, depreciation and amortization expense was \$418,605.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as support with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Income Taxes - The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

MONMOUTH COUNTY SOCIETY FOR THE
PREVENTION OF CRUELTY TO ANIMALS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 - (continued)

The Organization evaluates its uncertain tax positions and accordingly, a loss contingency is recognized when it is probable that a liability has been incurred as of the date of the financial statements and the amount of the loss can be reasonably estimated. The amount recognized is subject to estimate and management judgment with respect to the likely outcome of each uncertain tax position. The amount that is ultimately sustained for an individual uncertain tax position or for all uncertain tax positions in the aggregate could differ from the amount recognized. As of December 31, 2023, the Organization recognized no liability on uncertain tax positions.

Investments - The Organization's investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. For the year ended December 31, 2023, the Organization incurred investment expenses of \$30,328 which is reflected in investment income on the statement of activities.

Fair Value - The Organization has a number of financial instruments, none of which are held for trading purposes. The Organization estimates that the fair value of all financial instruments at December 31, 2023, does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of financial position. The estimated fair value amounts have been determined by the Organization using available market information and appropriate valuation methodologies. Marketable equity and U.S. government securities are valued at quoted prices in active markets for identical assets (Level I). Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value, and, accordingly, the estimates are not necessarily indicative of the amounts that the Organization could realize in a current market exchange.

Note 2 - Investments - Cost and fair value of investments at December 31, 2023 are as follows:

	<u>Cost</u>	<u>Gross Unrealized Gains</u>	<u>Gross Unrealized Losses</u>	<u>Gross Fair Value</u>
